

## Registered Nurse Full Time: 40 hours per week

- Homecare case management experience required
- Minimum of 1-3 years nursing experience required
- Strong clinical assessment skills required
- Telehealth experience preferred.
- BSN preferred

**Initial assignment will be in telehealth responsibilities.**

**As a part of this assignment, this RN will perform the duties of assessing telehealth data on a daily basis in addition to seeing clients in the home. Please note that all Holyoke Visiting Nurse Association RN assignments are subject to change based on operational, staffing and patient needs.**

**The individual we are seeking will be an RN who will perform all the duties and assignments of every other RN at this agency including rotating on weekends, on call and Holidays.**

We offer:

1. Supportive peers & managers
2. Flexibility & Comprehensive orientation
3. Minimal weekend rotation
4. 4 weeks vacation & excellent full benefit package
